Studia Historiae Oeconomicae Open Access and Plagiarism Policy

Open Access Policy

This is an open access journal which means that all content is freely available without charge to the user or his/her institution. By submitting their text, the authors agree that all SHO texts are published in accordance with the Open Access clause: they undergo a full scientific review process, are made available free of charge on the Sciendo and PRESSto platforms, can be downloaded free of charge from the Sciendo and PressTo platforms and may be used under a Creative Commons user [license \(CC BY-SA 4.0\)](#).

Preserved for long-term access in the PKP Preservation Network

Plagiarism Policy

The editorial board is participating in a growing community of [Similarity Check System's](#) users in order to ensure that the content published is original and trustworthy. Similarity Check is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Fundamental Errors in Published Works

When the author discovers a significant error or inaccuracy in his/her own published work, it is the author's obligation to promptly notify the journal as well as to cooperate with the Editor-in-Chief to retract or correct the paper. If the editors or publisher learns from a third party that a published work contains a significant error or inaccuracy, then it is the authors' obligation to promptly correct or retract the paper or provide evidence to the journal editors of the correctness of the paper.
